

**California MLPA North Central Coast Regional Stakeholder Group
Breakout Session Activity to Identify Areas of Importance
August 23, 2007**

Purpose of Breakout Session

To identify within the entire study region key areas of importance or interest. Specific questions to be addressed:

1. Where are important areas for habitat representation, ecosystem protection, and sustaining marine life populations?
2. Where are important areas for consumptive recreational and commercial activities?
3. Where are important areas for non-consumptive recreational and commercial activities?
4. Where are important areas for educational and study opportunities?
